

Attention Simmental and Simbrah Breeders, it is that time for the annual OKSSA Futurity Sale at the Tulsa State Fair. We want to thank those of you who have supported this even in the past, by consigning calves, purchasing and all the support that members have continued to give towards this event.

Included is a request for your consignments to this year's sale. Please fill out the form and return it by Sept 26, 2011, to Tom White, 6455 South Husband, Stillwater, OK 74074, or, email information to whiteta@lilly.com.

One of the biggest changes for the 2011 sale is the date and time. For 2011, the OKSSA Sale will be following the OCCA sale on Friday, October 7. We wanted to take advantage of the large crowd that gathers for the OCCA sale and this provides us that opportunity.

Any consignments submitted before Sept 10, 2011, will benefit from an early advertising on OKSSA website, OKJSSA Facebook page and thru emails. Submissions after Sept 10 will still be accepted, and placed in the sale catalog for the October sale.

Remember that all sale animals must be registered with the ASA and consignor needs to be a current OKSSA member. Nomination fee is \$150 per animal. The Futurity Sale will be October 7, 2011, in the Expedition Sale Arena.

2011 OKSSA Tulsa Futurity Sale

DEADLINES: Any sale consignment must be received by September 26, 2011. Consignment details received on or before September 10, 2011 will be used in sale advertisements (OKSSA website, emails, and Facebook)
