Bulls, Bred Heifers, and Show Prospects available private treaty.
2012 has come and gone,
2013 is here…
We hope we’ll have some moisture soon
At least sometime this year.

The cattle are fed everyday
They look forward each and every time
Our pickups have dents and bends everywhere
Because the cattle fight instead of standing in line.

The hay is rapidly getting less
And buying feed costs an awful lot
We don’t watch the weather channel anymore
Because they don’t know if it’s going to rain or not.

Well not everything is as bad as it seems
We play Moon with our neighbors and eat brown beans
The competition gets hot – We all want to win
We usually play the women against the men.

We catch up on what happens in our neighborhood
Lots of it bad, but most of it good
In a small community such as we live in
We know each other’s business from top to end.

We are happy living where we do
Someone always stops by to visit awhile
And before they leave you can always be sure
That on your face you will have a smile.

There is Always Hope

Oklahoma Juniors
The 2012 annual meeting of the Oklahoma Simmental Simbrah Association was held July 27-29 in Bartlesville. The Fairfield Inn and Suites served as the host hotel for the weekend. A Friday evening dinner and social was graciously hosted by long time OKSSA members Clarence and Juanita Sumpter at their ranch south of Bartlesville. Dick Shulanberger, President, convened the general meeting at 9:00 Saturday morning, while the junior advisor, Cheryl Johnson, gathered the juniors for their meeting. A pot luck lunch was served, after which the adults enjoyed free time and the juniors were off to an afternoon of bowling.

The Sumpters, once again, were in top form, having the dinner and auction events held at Prairie Song. During the evening, the new Senior and Junior board members were announced, along with the new officers. Hannah Armitage was named the 2012 – 2013 OKSSA Queen and Samantha Johnson was named the Princess. Michelle Helm and Jacob Johnson were named the Senior and Junior Ambassadors respectively. On hand to present the second annual Spring Family Scholarship were Tim Springs, his daughter Shelly, and his granddaughters Kalley and Savanna. The scholarship was started in memory of Janette Springs, the former Junior Advisor to the OKJSSA for many years. The scholarship was awarded to Jace White. The awards portion of the evening ended with Carolyn Gwartney and her story telling...which led to the Moorman family being named the 2012 Family of the Year. Craig, Sandie, and their children Miranda and Mason were presented with a clock by President, Dick Shulanberger.

To end the evening, Harold Gwartney kicked off the annual auction with the proceeds going to the OKSSA to benefit the Oklahoma Juniors throughout the coming year.

The Moorman Family...Craig, Sandie, Miranda and Mason.

Craig Moorman grew up and graduated from Cheyenne High School in 1976. He left home to attend college at Oklahoma State University, but did come home once in a while, to see his family and friends. On one of Craig’s Stillwater outings, he met Sandie; she was attending Pawnee High School at the time. After high school, Sandie also headed for the big town of Stillwater to attend OSU. The couple married in 1980 and lived in Cheyenne, Oklahoma. Later, they made their home in Leedey, Oklahoma, where they currently reside. They were blessed with the birth of Miranda in 1992. Soon after Miranda was born, they became active in the Simmental cattle business with Craig’s family. The Moorman Cattle Company started having female production sales at the farm, hosting guest consigners from around the state. Soon after the females sales started, they began hosting Annual Simmental Bull Sales at OKC West. As the Moorman family traveled the show circuit, they received top honors at many shows across the country. Many of you might remember some of their top herd sires...Red Baron and KCC Big River.

Mason was born in 1995, and both he and his big sister were along for the ride. Miranda graduated high school in 2010, and currently attends OSU where she is involved in numerous campus activities. Mason is a sophomore at Leedey High School, where he is active in sports, FFA, and his church youth group. Both Miranda and Mason have remained active members of the OKJSSA, where they have both held numerous offices and titles. Craig is a member of the OKSSA Senior Board, and Sandie...well, she works hard at trying to keep track of them all!!!

Craig, Sandie, Miranda and Mason have made many treasured friends over the years through their continued involvement in the Oklahoma Simmental Simbrah Association. The Moorman Family would like to thank the OKSSA for being named the Family of the year.
J. D. White, a hard-working graduate of Oklahoma State University and Oklahoma City University, practices in the areas of family law, agriculture law, and general civil litigation. Proud of his Oklahoma roots and farming background, J.D. possesses a sophisticated grasp of each client’s unique needs.
Thank You and Congrats to all our customers this past year.

In Stillwater, we blend Southern charm with the rich traditions of the American West. Pick a luscious home grown peach in July, take a stroll through the county fair’s livestock barn, watch a traditional Native American pow-wow, or don a cowboy hat and jeans at a Friday night rodeo. Visit Stillwater and experience our way of life.
